Dear Mr John-Paul Nobrega,

We would like to thank you and the RADA team for your efforts in creating awareness around the issue of road safety, particularly with respect to the rules of crossing the road and pedestrian safety.

According to data disclosed in our Annual Road Safety Reports, the most significant challenge currently on South Africa's roads is the safety of pedestrians, with KwaZulu-Natal, Western Cape and Gauteng provinces having the highest pedestrian deaths recorded year on year.

The Road Traffic Management Corporation therefore takes great pleasure in endorsing the RADA RASI Project and will support RADA by sharing the RASI road safety video with our networks throughout South Africa.

We both acknowledge that it is vitally important to continually reiterate the rules of crossing a road safely and, by working together, we aim to further empower many communities and save lives.

Yours Sincerely,

MR THABISO NDEBELE
